

## Checklist

## EASA Part-FCL Annex III

### Special flight permit 'TRI authorisation for a holder of a foreign TRI qualification'

(Maximum 30 days limited certificate of validation of a valid foreign pilot's licence)

---

#### Requirements for the issuance of a Swiss special flight permit 'TRI authorisation' issued on the basis of an ICAO-pilot's licence with TRI rating issued in a non-EASA member state

- Application for the issuance of a pilot's licence/permit (FOCA Form 69.977)
- Copies of all pages of the current foreign pilot's licence with entry of the required current MP type rating (pending licence is not accepted) and valid TRI rating
- Copies of all pages of the appropriate valid medical certificate issued in accordance with Annex 1 to the Chicago Convention
- Copies of last 3 pages of the logbook
- Copy of last proficiency check passed in the foreign country on the corresponding type rating which will be operated as TRI
- Summary of grand total flight experience
  - Total flight experience in the last 12 months
  - Flight experience of the used type within the last 6 months
  - Total flight experience as TRI
  - Total flight experience as TRI on the corresponding type rating which will be operated as TRI
- Declaration of the period acting as TRI on Swiss registered type rating
  - Declaration of the FTO or TRTO
  - Declaration of the place (country, town) where the flights will be executed
  - Declaration of type of aircraft with indication of HB-registration number(s)
- Declaration of addressee for the special flight permit 'TRI authorisation' and the invoice
- Proof of the language proficiency (at least Level 4) entered in the foreign pilot's licence

#### Verification of the foreign pilot's licences and medical certificates

By filling in the application form, the applicant will authorise the issuing Civil Aviation Authorities of his foreign licences and medical certificates to provide all relevant information for the corresponding application to the Swiss Federal Office of Civil Aviation (FOCA)

#### Validity of short time permit 'technical and maintenance flight'

As long as the foreign pilot's licence but not longer than 12 months from the date of issuance

#### Revalidation/Renewal of validation certificate

Not applicable
