MAINTENANCE MANUAL

2. Chapter Sections

This chapter has four sections:

- Time Limits 05-10-00
- Flight Maintenance Checks 05-20-00
- Scheduled Maintenance Checks 05-30-00
- Unscheduled Maintenance Checks 05-50-00

3. Time Limits

This section gives the permitted time limits for inspection, maintenance and overhaul procedures necessary on the aircraft, its systems and components. It also gives a list of components which have a life limit and / or maximum time between overhaul.

4. Flight Maintenance Checks

This section gives the maintenance procedures which are necessary before, after and between flights.

5. Scheduled Maintenance Checks

This section gives the scheduled maintenance procedures which are necessary for efficient operation of the aircraft.

6. Unscheduled Maintenance Checks

This section gives maintenance procedures which are necessary after a special or unusual circumstance has occurred, which could possibly have damaged the aircraft.
