

FOCA-UAS-EU-STS-DEC

Operational declaration to STS (Appendix 2 to Article 5.5 IR (EU) 2019/947)

1. General Information		
1.1	UAS Operator Data	
1.1.1	UAS Operator Registration Number	
1.1.2	UAS Operator Name	
1.1.3	Applicable Standard Scenario(s)	<input type="checkbox"/> STS-01: VLOS over a controlled ground area in a populated environment <input type="checkbox"/> STS-02: BVLOS with airspace observer(s) over a controlled ground area in a sparsely populated environment
1.1.4	Operator's Point of Contact	Name: Address: Phone: E-Mail:
1.2	UAS Details	See table in Annex, page 2.
1.3	Reference and version of the operations manual	
Data protection Personal data included in this declaration is processed by the competent authority pursuant to Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation). It will be processed for the purposes of the performance, management and follow up of the oversight activities according to Commission Implementing Regulation (EU) 2019/947. If you require further information concerning the processing of your personal data or you wish to exercise your rights (e.g., to access or rectify any inaccurate or incomplete data), please refer to the contact point of the competent authority. The applicant has the right to make a complaint regarding the processing of the personal data at any time to the national Data Protection Supervisory Authority.		
2. Declarations		
I, the undersigned, hereby declare that: <input type="checkbox"/> The UAS operation will comply with all the applicable provisions of Implementing Regulation (EU) 2019/947 and especially with standard scenarios requirements. <input type="checkbox"/> Appropriate insurance cover will be in place for every flight made under the declaration, if required by Union or national law, and that the related insurance coverage, if applicable, will be in place at the start date of the UAS operation. <input type="checkbox"/> The adequacy of the contingency and emergency procedures described in my Operations Manual (referenced in Pt. 1.3) has been ensured through dedicated flight tests and/or simulations, provided that the representativeness of the simulation means is appropriate for the intended purpose and that the associated proof(s) are available for inspection by the FOCA. <input type="checkbox"/> I will notify the FOCA, without any delay, of any change to the information contained in this operational declaration.		
3. Attachments		
<input type="checkbox"/> Operations Manual developed according to Appendix 5 to IR (EU) 2019/947, including an Emergency Response Plan in compliance with the conditions for a 'medium' level of robustness as per AMC3 UAS.SPEC.030(3)(e). <input type="checkbox"/> EU declaration(s) of conformity for each UAS listed in Pt. 1.2. <input type="checkbox"/> Certificate of remote pilot theoretical knowledge ("STS Certificate") for each remote pilot. <input type="checkbox"/> Accreditation of completion of the STS-01 and/or STS-02 practical skill training for each remote pilot.		
Place and Date	Name and Signature	FOR FOCA ONLY

Next steps

- Please send this form, duly completed and signed, along with all relevant documentation (see Pt. 3), to: rpas@bazl.admin.ch
- Further substantiation or documentation might be required upon request by the FOCA.
- If the declaration is complete, the FOCA sends a Confirmation of Receipt and Completeness (CoRC) allowing the immediate start of operations under the applicable standard scenario(s).
