

FOCA Form ST-SSR22

Registration requirements

The undersigned acknowledges that obtaining a false certificate by means of false or forged documents or false statements is a criminal offence. **Please note that signature/s must be legally valid and that companies must provide their official stamp.**

HB- _____ Aircraft type: _____ MSN: _____

CONDITIONS FOR REGISTRATION

The owner whose signature appears below acknowledges that their aircraft being imported from abroad will be entered in the Swiss Aircraft Register under the registration mark reserved for it as soon as:

- ➔ the official certificate of cancellation or non-registration of the state of origin is available
- ➔ the administrative documents listed are submitted to us.

The undersigned further acknowledges that the record of their aircraft in the Swiss Aircraft Register will be cancelled automatically if the custom clearance has not taken place when crossing the border or the proof of temporary relief from custom is not provided. This also applies if it is found during the conformity inspection that the aircraft does not comply with the administrative and technical documentation submitted, i.e. that it does not meet airworthiness requirements and environmental regulations (noise, pollutants and CO₂).

SIGNATURE

By signing this form, the owner confirms that the information provided is correct and that they have read and understood the main information.

Place, date

Owner's legally valid signature
(as well as name in capital letters)
