## Appendix 2: Preliminary application form Aviation and Climate funding programme

Version 03.07.2025

---

### 1 Applicant

Company: Name and address	Contact: Name, role and email address

Description of applicant - Business activities, relevant experience

## 2 Project

Project title	
Field of application	<input type="checkbox"/> SAF <input type="checkbox"/> Fleet efficiency <input type="checkbox"/> Operating efficiency <input type="checkbox"/> Knowledge transfer <input type="checkbox"/> Other

Earliest possible project start	Latest possible project start	Project duration

<p>Project description</p> <ul style="list-style-type: none"><li>- Goal, procedure, partners incl. role and status of cooperation</li><li>- Project risks and risk mitigation measures</li><li>- Follow-up plans</li></ul>

**3 Technology**

	At project start	At project end
Technology readiness level (TRL)		

<p>Description of technology</p> <ul style="list-style-type: none"><li>- Functionality, innovation of the measure, status of scaling</li><li>- Comparison with existing products (technology)</li><li>- Technology risks and risk mitigation measures</li><li>- Follow-up plans (further development)</li></ul>
<div></div>

**4      Environmental impact**

	Minimum value (with unit)	Maximum value (with unit)
Reduction of GHG emissions		

<p>Description of environmental impact</p> <ul style="list-style-type: none"><li>- Climate impact through project and follow-up plans, overall environmental impact</li><li>- Comparison with similar existing products (environmental impact)</li><li>- Environmental risks and risk mitigation measures</li><li>- Attribution of emission reductions (systems, beneficiaries)</li><li>- Follow-up plans (scale-up)</li></ul>
<div></div>

## 5 Finances

Form of funding (select all potential options)	<input type="checkbox"/> Grant <input type="checkbox"/> Loan <input type="checkbox"/> State guarantee
--	---

	Minimum amount (with unit)	Maximum amount (with unit)
<b>Total costs</b>		
Self-financing		
External financing		
<b>Funding requested FOCA</b>		

<p>Description of finances</p> <ul style="list-style-type: none"> <li>- Business case, financing measure incl. current status, value creation in Switzerland</li> <li>- Comparison with similar existing offers (costs per tonne of SAF or CO<sub>2</sub> reduction)</li> <li>- Economic risks and risk mitigation measures</li> <li>- Justification of need for funding and form of funding</li> <li>- Follow-up plans</li> </ul>
