**YOUR TASKS**

**TASK 1:**

You see that the plane you want to fly (HB-ABA) is on maintenance. Telephone your Flying School.

The Interlocutor will begin the task by answering the telephone.

- 1.1 When the Interlocutor answers the phone, refer to picture 1. Describe the situation and ask for assistance.**

**TASK 2:**

You are now in HB-ABC and ready for taxi.

- 2.1 Call the Tower, refer to picture 2 and ask them to change the flight plan to HB-ABC.**  
**2.2 Ask for taxi when ready.**

**TASK 3:**

You are on Taxiway Kilo and you see some things.

- 3.1 Refer to picture 3 and advise the Tower. You can't taxi round the things.**

#### TASK 4:

When you arrive at the holding point runway 35, you see that you have forgotten something.

**4.1** 👁 Refer to picture 4 and ask if you can taxi back to the GA Apron.

**4.2** When you are ready again, call Tower for taxi.

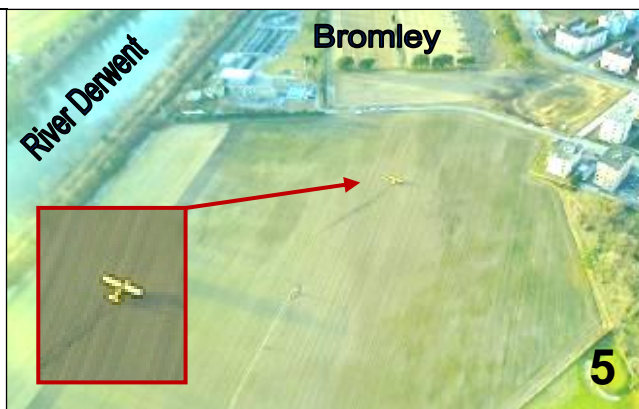

#### TASK 5:

**5.1** Tell Tower you are ready for departure.

- pause -

You are now airborne and during your flight you see another aircraft in a field.

**5.2** 👁 Refer to picture 5 and advise ATC.

#### TASK 6:

You are 10 miles east of November at 5000ft and you see there is a problem with your aircraft. You want to return to Samville.

**6.1** 👁 Refer to picture 6 and inform the Tower.

**6.2** When ready call field in sight.

**Your Interlocutor** will announce the end of the task.
